The photographs reproduced herein  
represent a selection from approximately 70 in the  
exhibition. All are titled *La Poupée*, with the exception of  
*La Mitrailieuse en état de grâce* and *La Toupie*  
(plates 10 and 11, respectively), and all are vintage gelatin  
silver prints made between 1934 and 1938.  
They are reproduced in approximately their actual sizes.
